RefWorks

The Library will be ending its subscription to RefWorks (a citation management tool) in June 2015. We will assist those who wish to move citations they've saved in RefWorks to Zotero, with tips, tutorials, and in-person help. Please stay tuned for more information in the Fall 2014 semester!

World Labyrinth Day

On Saturday, May 3, members of the university and broader community gathered at the David Barton Reflective Garden and Community Labyrinth in celebration of [World Labyrinth Day](#). On World Labyrinth Day, participants across the globe joined together to walk at 1:00 p.m. in celebration of labyrinths as tools of healing and peace. The Metropolitan State Library was fortunate to welcome members of the Minnesota Labyrinth Society and the Holistic Nurses Association, along with other Metropolitan State staff, students, and neighborhood residents. We are excited to see usage of this public space increasing and hope that our guests return to walk the labyrinth in the future.
